Direct Debit Payment Option

In an effort to make sewer service payments more convenient for our customers, the Egg Harbor Township Municipal Utilities Authority (EHTMUA) offers Direct Debit as a form of payment.

Those interested in utilizing Direct Debit must authorize the EHTMUA to electronically deduct the current sewer service charge from their checking account.

In order to enroll in the Direct Debit program:

- Sewer service account must be current. Past due accounts cannot be paid with the Direct Debit payment option.
- Complete and sign the bottom portion of this form. The name on the voided check must match the Authorization form. If someone other than the property owner is enrolling in the Direct Debit Payment Option, please contact our office.
- Return this form, along with a voided check, to the EHTMUA office.
- Completed form and voided check must be received by the EHTMUA at least fifteen (15) business days prior to the due date.

Direct Debit Authorization

By signing below, I authorize the EHTMUA to electronically deduct the amount of my sewer service bill from my checking account on the due date of the current bill. I understand that in order to withdraw from this program or make changes to my banking information, I must provide written notice to the EHTMUA office at least fifteen (15) business days prior to the next scheduled debit. I also understand that the EHTMUA does not charge for this service. However, in the event that a Direct Debit is returned unpaid, a service fee will be charged to my EHTMUA sewer service account.

Name _____

Property Location _____

Block _____ Lot _____ Qualifier _____

Phone Number _____ Email Address _____

Signature _____ Date _____

In order to enroll in the Direct Debit Program, a voided check must be included with this form.
