Dear Egg Harbor Township Residents:

Two (2) week ago, I advised you that we had two hundred eighty-seven (287) positive cases in the month of October. Coincidentally, we have had two hundred eighty-seven (287) new positive cases in the first two (2) weeks of November.

I realize that after eight (8) months of living with COVID-19 we are all suffering from COVID fatigue. Unfortunately, the virus has not gone away and it appears it will be with us until an effective vaccine is developed and we are all able to be vaccinated.

With the Thanksgiving holiday next week, I need to ask that we all take appropriate precautions so not to contract or spread the virus to family members. It is imperative that we recognize the seriousness of this virus and its impact on all parts of our lives. We need to stay vigilant in our social distancing and interactions with others. Continue wearing masks at all times when you are outside your home or car and wash your hands frequently.

We will get through these difficult times due to the strength and character of our residents to take the appropriate actions to protect themselves and their neighbors.

Sincerely,

Paul W. Hodson
Mayor

C: Township Committee

Stay Healthy, Stay Safe and Stay Informed.
