Dear Egg Harbor Township Residents:

We have been impacted by COVID19 to an extent we could never imagine. Our first positive case confirmed on April 1<sup>st</sup>. Thirty (30) days later, we now have one hundred forty-six (146) positive cases and eleven (11) deaths. If there is good news in these numbers, it is that we are able to identify those with the virus and have them treated.

After six (6) weeks of being shut down, I want to publicly thank the work of our first responders EMS, Fire and Police and the outstanding work they have done during this difficult time. I would like to thank the Department of Public Works for their continued dedicated service (garbage collection, bulky waste collection, leaf collection, etc.) to our residents.

On behalf of the Township, I wish to acknowledge and thank the following businesses and individuals who have made donations to the Township to assist our first responders. The donations have been PPE or food. They are:

Amanda Sciliano	Home Depot
Lester Santana	Lowes
Bahay Kubo Restaurant	Little Water Distillery
Fresh Start Church	Sam's Club
Fusion Church	Stir It Up Catering
Forman Mills	Stroemann Bread
	Walmart

I hope you follow the CDC guidelines as to social distancing and wearing your mask when out and about. This will assist to flatten the curve on the spread of the virus.

Sincerely,

Paul W. Hodson  
Mayor
