The Township continues to trend in the right direction in flattening the curve. This is a snapshot of the past three (3) months.

	<u>Positive Cases</u>	<u>Deaths</u>
April	146	11
May	107	7
June	<u>61</u>	<u>3</u>
Total	314	21

In the same time period, the State of New Jersey had 171,928 positive cases with 15,078 deaths. The virus is clearly present in New Jersey.

As the State continues to reopen, I am requesting residents to continue wearing masks while out in public and maintain six (6) feet of social distancing. In many other States when residents stopped these safety precautions, the virus spiked and these States re-imposed shutdowns. I do not want to see that happen in EHT.

On Monday, July 6th the Municipal Building will be open by appointment only between the hours of 9:00 a.m. - 11:30 a.m. and 1:00 p.m. - 3:30 p.m. If you need to conduct business in-person, please call the office to schedule an appointment.

It is our intention to open the Municipal Building to the general public on Monday, July 13th. Anyone entering the building will be required to wear a mask that covers their nose and mouth.

Sincerely,

Paul W. Hodson
Mayor
