August 3, 2020

Dear Egg Harbor Township Residents:

In the past two (2) weeks, we have seen a significant increase in positive cases in EHT. We had fifty-seven (57) new positive cases. After three (3) months of declining COVID-19 positive cases, we saw a fifty-six percent (56%) increase in cases from June to July (61 cases in June and 95 cases in July). During the month of July, EHT had one (1) death from COVID-19.

This increase is consistent with trends throughout the Country and in New Jersey. After the three (3) months of doing everything right, it appears that EHT as well as other parts of the Country have let their guard down.

I am asking our residents to stay vigilant with complying with all CDC requirements. Please continue wearing masks while out in public and maintain six (6) feet of social distancing. Wash your hands often for twenty (20) seconds to protect yourself.

Sincerely,

Paul W. Hodson  
Mayor
