September 1, 2020

Dear Egg Harbor Township Residents:

New Jersey has seen a decline in rate of transmission of COVID-19 throughout the State. Egg Harbor Township saw a twenty percent (20%) decrease in new positive cases in August with no COVID-19 related deaths.

Gyms and fitness centers are allowed to open today at twenty-five percent (25%) capacity. On Friday, September 4, movie theaters and indoor dining will re-open in accordance with State and CDC guidelines.

Schools in EHT will be virtual through October 26, at which time I am optimistic that students will be able to resume classroom learning.

I believe wearing masks and maintaining social distancing have been the keys to our success in reducing exposures throughout the Township.

Please visit the Township's website at <https://www.ehtgov.org>. It is a great resource for residents to obtain up-to-date information on COVID-19.

Sincerely,

Paul W. Hodson
Mayor
