Egg Harbor Township Awarded 2018 Atlantic County Local History Grant

The Township of Egg Harbor has been awarded a \$6,400 grant for the fiscal year 2018 through funding from the New Jersey Historic Commission administered by the Atlantic County Office of Cultural & Heritage Affairs. The award will go towards the restoration and repair of two (2) historical Township minute books. The minute books are from the years 1794 to 1832 and 1914 to 1920. These minute books contain information that shows the rich history of the Township. The Township is required to match the \$6,400.

The Township Historian, June Sheridan, and Township's Clerk, Eileen Tedesco, helped to research and make this restoration process come to a realization to keep the history of the Township secured for generations to come. June said, "We really appreciate this opportunity to restore a historical piece of the Township's history. With the grant we will be able to restore the Township minute books for the public's reference into the future."

Funding has been made possible in part by the New Jersey Historical Commission, a division of Cultural Affairs within the Department of State, through funds administered by the Atlantic County Office of Cultural & Heritage Affairs.

The Township Committee strives to preserve the history of the Township and thanks Atlantic County, the New Jersey Historic Commission, and Atlantic County Office of Cultural & Heritage Affairs for funding this restoration project.
