Egg Harbor Township Awards Road Contract for the Reconstruction of Poplar Avenue and Resurfacing of Blackman Road

At their regular schedule meeting of July 18, 2018, Egg Harbor Township Committee awarded a contract to LANDBERG CONSTRUCTION LLC, Mays Landing, New Jersey in the amount of \$302,381.54.

LANDBERG CONSTRUCTION was the lowest responsible bidder among several bidders for this project.

The project includes reconstruction of Poplar Avenue from Blackman Road to the bridge crossing over Patcong Creek into the City of Linwood. In addition, approximately 1,000 feet of Blackman Road from Poplar Avenue in a southerly direction will be resurfaced.

It is anticipated that the Blackman Road work will be completed prior to Labor Day weekend. The work on Poplar Avenue will be done during the month of September. Poplar Avenue will be closed to traffic, except for local traffic, while the road work is being completed.

Funding for this work was provided through a New Jersey Transportation Trust Fund Grant in the amount of \$300,000. The Township is providing the balance of \$2,381.53 through their Road Improvement Program Capital Account.
