EGG HARBOR TOWNSHIP RECEIVES \$675,000 GRANT FROM NEW JERSEY DEPARTMENT OF TRANSPORTATION

The Township was awarded a \$675,000 Grant by the New Jersey Department of Transportation under the Local Freight Impact Fund Program.

The Local Freight Impact Fund is a competitive grant program where a municipality must demonstrate the project will provide access to a port, warehouse distribution center or any other freight node. Projects must have a minimum ten percent large truck volume within the project limits.

The Township applied for the reconstruction of the Off Shore Commercial Park roadways, specifically Century Drive, Commerce Drive and Parkway Drive.

Mayor McCullough said "The Township is very pleased with being awarded a grant, since the Off Shore Commercial Park is a main commercial ratable in the Township."

Township Administrator Miller stated "The improvements of the public roads within this park will provide an economic stimulus for additional expansion and growth within the park."

The Township will be bidding this work in the Spring of 2019 and it is anticipated, the work will be completed during the Summer of 2019.
