### **EGG HARBOR TOWNSHIP ALLOWS ACTIVE RECREATION IN PARKS AND PLAYGROUNDS**

Mayor Hodson announced that the Township Committee has decided to reopen the Township's parks and playgrounds on Saturday, May 16, 2020 for active recreation. Mayor Hodson said, "The Township Committee believes that is it necessary for our residents to be able to get outside, enjoy the fresh air and engage in normal recreational activities."

The parks are being opened under the following conditions: No more than ten (10) participants can use any court, field or playground at one time; Social distancing rules still apply to all activities; and residents are asked to sanitize any area that they or a family member have touched while using the playground apparatus to the best of their ability. It will insure its cleanliness for the next child.

Mayor Hodson said, "The Township's Parks and Recreation department have posted notices at each court as to how they can be best utilized for the benefit of the participants." The Township is leaving distance between Pickleball, Tennis and Volleyball Courts to assist in social distancing.
