2018

### An ordinance to adopt the Redevelopment Plan for the Farmington Redevelopment Area

**WHEREAS** pursuant to Resolution No. 107, adopted on February 21, 2018, the Egg Harbor Township Committee (“Township Committee”) directed the Egg Harbor Township Planning Board (“Planning Board”) to conduct the necessary Preliminary (Redevelopment) Investigation and hold a public hearing to determine whether the property shown on the Egg Harbor Township Tax Map as Block 2118 Lot 4, as well as adjacent rights-of-way as depicted on the Official Tax Map of the Township of Egg Harbor (herein referred to as the “Study Area”), qualified as an “Area in Need of Redevelopment” as such term is defined in the New Jersey Local Redevelopment & Housing Law at N.J.S.A. 40A:12A-1, et seq.; and

**WHEREAS**, the Planning Board was assisted in such Preliminary Investigation by Vincent Polistina, Polistina & Associates, a licensed Professional Planner in the State of New Jersey; and

**WHEREAS**, Polistina & Associates conducted an analysis of the Study Area and submitted to the Planning Board a Determination of Need Report, dated March 2018 (“Determination of Need”); and

**WHEREAS**, on March 19, 2018, the Planning Board conducted its public hearing on the matter pursuant to N.J.S.A. 40A:12A-6b., with mailed and published notice for the purpose of hearing all persons interested in or who would be affected by a determination that the Study Area qualified as an “Area in Need of Redevelopment”; and

**WHEREAS**, Mr. Vincent Polistina, a licensed Professional Planner in the State of New Jersey, was qualified as an expert witness and presented Polistina & Associates’ Determination of Need; and

**WHEREAS**, Mr. Polistina testified based on the Determination of Need report that the Study Area qualifies as an “Area in Need of Redevelopment” pursuant to N.J.S.A. 40A:12A-5d and h, and that redevelopment of the Study Area is consistent with the certain Smart Growth Planning Principles adopted by the State of New Jersey pursuant to law or regulation; and

**WHEREAS**, pursuant to Mr. Polistina's analysis and findings set forth in the Determination of Need, it was recommended:

That the Planning Board find, and upon such finding, recommend to the Egg Harbor Township Committee, the Study Area, 6817 Black Horse Pike, Block 2118, Lot 4, exhibit conditions which conform with Criterion “d” and Criterion “h” of the Local Redevelopment & Housing Law;

That upon such finding, the Planning Board recommend to the Egg Harbor Township Committee that the Study Area, 6817 Black Horse Pike, Block 2118, Lot 4, be declared to be an “Area in Need of Redevelopment” in accordance with N.J.S.A. 40A:12A-5;

That the Planning Board recommend to the Egg Harbor Township Committee that, should the Township Committee designate the Study Area, 6817 Black Horse Pike, Block 2118, Lot 4, to be an “Area in Need of Redevelopment”, that the Committee authorized the Planning Board to prepare a Redevelopment Plan for the Redevelopment Area; and

**WHEREAS**, the Planning Board considered the testimony of the expert and comments made by the public in attendance, as well as the Determination of Need and all other exhibits; and

**WHEREAS**, the Planning Board made the following Findings of Fact based on the substantial credible evidence presented at the hearing as follows:

The Study Area contains areas with buildings and improvements which, by reason of dilapidation, obsolescence, faulty arrangement and design, excessive land coverage, deleterious land use, obsolete layout and other factors, alone and in combination, are detrimental to the health, safety and welfare of the community; thereby satisfying Statutory Criterion “d” as indicated in the Determination of Need.

The Study Area contains lands designated by State Planners to be in an area to be re-designated as a PA-1 (Metropolitan Planning Area) and a Proposed Smart Growth Area; thereby being consistent with smart growth planning principals adopted pursuant to law or regulation and satisfying Statutory Criterion “h” as indicated in the Determination of Need.

**WHEREAS**, Pursuant to N.J.S.A. 40A:12A-6b(5), and based on the foregoing findings, the Planning Board, via unnumbered Resolution dated March 19, 2018, recommended to the Township Committee that the Study Area , 6817 Black Horse Pike, Block 2118, Lot 4, be determined to be a "Non-Condemnation Redevelopment Area" pursuant to the Statutory Criterion set forth in N.J.S.A. 40A:12A-5 and 6, and specifically Criterion 5d and 5h; and

**WHEREAS**, the Planning Board further recommended that such findings and recommendations, along with the Determination of Need and other exhibits entered into evidence at the public hearing, be forwarded to the Egg Harbor Township Committee, in accordance with the referenced statute, and, if the Township Committee designated the Study Area, 6817 Black Horse Pike, Block 2118, Lot 4, or a portion thereof, to be a “Non-Condemnation Redevelopment Area”, that the Township Committee then authorize the Planning Board to prepare a Redevelopment Plan for the Redevelopment Area; and

**WHEREAS**, the Township Committee received and carefully reviewed the Determination of Need report, exhibits and recommendations of the Planning Board as embodied in the unnumbered Planning Board Resolution dated March 19, 2018 and on April 4, 2018, via Resolution No. 184, declared Lot 4 in Block 2118, on the official tax map of the Township of Egg Harbor, along with certain adjacent rights-of-way, to be a Non-Condemnation Area In Need of Redevelopment; designating this area the Farmington Redevelopment Area; and

**WHEREAS**, Resolution No. 184 further instructed the Planning Board to prepare a Non-Condemnation Redevelopment Plan for the Farmington Redevelopment Area; and

**WHEREAS**, as required by N.J.S.A. 40A:12A-6, Resolution No. 184-2018 was transmitted to the Commissioner of the New Jersey Department of Community Affairs for approval of the Redevelopment Area designation; and

**WHEREAS**, Polistina & Associates has prepared a document entitled Redevelopment Plan, 6817 Black Horse Bike, Block 2118, Lot 4, Egg Harbor Township, Atlantic County, New Jersey (dated June 2018 ~ “Redevelopment Plan”); and

**WHEREAS**, N.J.S.A. 40A:12A-7 e. requires that, prior to adoption of a Redevelopment Plan by a municipal Governing Body, such Redevelopment Plan be reviewed by the municipal Planning Board, after which a recommendation regarding the Redevelopment Plan is to be transmitted to the Governing Body; and

**WHEREAS**, N.J.S.A. 40A:12A-7 d. requires that “All provisions of [a] redevelopment plan shall be either substantially consistent with the municipal master plan or designed to effectuate the master plan; but the municipal governing body may adopt a redevelopment plan which is inconsistent with or not designed to effectuate the master plan by affirmative vote of a majority of its full authorized membership with the reasons for so acting set forth in the redevelopment plan”; and

**WHEREAS**, the Egg Harbor Township Planning Board did receive and review the Redevelopment Plan and did, on June 18, 2018, hold a public hearing regarding the matter. At said public hearing, the Planning Board did hear a presentation of the Redevelopment Plan by Mr. Vincent Polistina, P.E., P.P. of Polistina & Associates and, at that self same public hearing, did solicit and hear comments regarding the Redevelopment Plan from members of the public in attendance; and

**WHEREAS**, the Planning Board has carefully considered the provisions of the Redevelopment Plan, the presentation by Polistina & Associates and comments from members of the public; and

**WHEREAS**, the most recent Master Plan for Egg Harbor Township was adopted in April, 2002, with the last Reexamination adopted in June 2017; and

**WHEREAS**, the 2017 Master Plan Re-Examination included a recommendation for the Township to “create an atmosphere within the municipality which is conducive toward the retention of existing businesses and the attraction of new businesses within the appropriate zoning districts”; and

**WHEREAS**, at the conclusion of the Planning Board’s public hearing on June 18, 2018, the Board adopted an unnumbered Resolution, thereby:

Finding and determining that the actions contemplated by the Non-Condensation Redevelopment Plan for the Farmington Redevelopment Area are fully consistent with, and are designed to effectuate the 2002 Township Master Plan, as revised via reexamination in 2017, and therefore satisfies the statutory requirements for a Redevelopment plan under the *Local Redevelopment and Housing Law*; and
